PERFORMED A VARIETY OF GENRES AND VENUES

2025

Played at the legendary Ministry of Sound both in Babybox and 103. Classic House, Deep House and some classics to keep the dancefloor happy.

2025

Ibiza Boat club. A daytime set with 80 guests during stunning summer weather. The best location for my genre: **Organic House**. DJing on very rocky waters is more challenging than I thought.

2025

Taking the booth at one of London's most iconic club spaces, **Egg London**. With much faster paced music - House with Tech and UKG.

Venture X

Taking the helm for a 5-hour Open Format corporate set for halloween. I am happy to take requests and serve people what they want. Totally different vibe to the clubs and music I love but amazing to be part of.
